

## River North Residents Association Leadership Team Opportunities

The RNRA works with city officials, local businesses and other organizations to enhance the quality of life in our community. Our primary areas of focus include responsible development and commerce, public safety, recreation and the maintenance and improvement of local infrastructure and amenities.

We are looking for a few public-spirited individuals who would like to share a little of their time and talent to make River North a better place to live. Those who choose to take on the following responsibilities will also have the chance to participate in our monthly Executive Committee meetings (optional) and thereby help to shape and advance the entire RNRA agenda.

-  1. **Development Team** – monitor proposed and in-process projects, interface with the Department of Planning and Development, developers, general contractors and the Alderman's office as needed, help with design review meetings, community surveys and website updates.
-  2. **Hospitality Liaison** – monitor license applications and licensee sanctions, interface with the Department of Business Affairs, local businesses, CAPS officials, the Hospitality Resource Partnership and the Alderman's office as needed, attend Local Liquor Commission and/or applicable City Council hearings, monitor related legislation and help with website updates.
-  3. **Public Safety Liaison** – monitor local crime incidents and trends, attend CAPS beat meetings, interface with CAPS officials, 18<sup>th</sup> District CPD Officers and the Alderman's office as needed, monitor related legislation and help with website updates.
-  4. **Philanthropy Liaison** – evaluate and recommend local service organizations for RNRA support, interface with representatives, help to disseminate program and service information and promote their interests, help with website updates.
-  5. **I/T Coordinator** – assist with website maintenance, interface with web host, web fax service, campaign management service, teleconference service and others as needed to maintain and improve RNRA's technical, information management/security and communication capabilities. HTML editing application expertise is required.
-  6. **Park Advisory Council Chair** – coordinate park programming and capital improvement projects, explore opportunities to expand local green space, interface with Park District officials, the Department of Planning and Development and the Alderman's office as needed, help with website updates.
-  7. **Health and Wellness and Liaison** – Maintain relationships with local public health organizations, interface with representatives, help to promote their interests and provide related resources and information to residents, help with website updates.
-  8. **Dog Owners Liaison** – interface with local dog owners groups, Park District officials, the Department of Streets and Sanitation and the Alderman's office as needed, monitor related legislation, promote responsible pet ownership, compliance with applicable rules and reasonable allocation of public resources, help with website updates.
-  9. **Parents Liaison** – interact with local parents groups, Park District officials, 18<sup>th</sup> district CPD Officers the Alderman's office as needed, help to identify and disseminate resources for the parents of young children, help to create a forum for the sharing of related information, promote related interests and help with website updates.
-  10. **Sponsor Liaison** – interface with local business representatives who wish to become engaged with the RNRA agenda, help to coordinate initial and renewal sponsorships, and related promotional efforts, help with website updates.
-  11. **Member Liaisons (multiple)** – interface with condominium association leaders, property managers and authorized representatives in designated areas to ensure that the RNRA leadership team and our members understand each others' issues and agendas, help to facilitate the provision of necessary services and solutions, help with website updates.
-  12. **Event Coordination Team** – Assist with the planning, promotion and execution of major events and activities, Interface with volunteers, service providers, sponsors, the Mayors Office of Special Events and other city departments, help with website updates.
